

2012 Membership Drive

New and Existing Members**

The object of this drive is to offer new and existing members a discount to join for the next year while increasing the overall number of members. The goal is to get as many new members as possible (does not include Social-Pool only) of any level with this very enticing and productive offer like last year. Any existing member can bring as many new members each one entitling them to another 10% up to the value of the new membership. In other words like last year if you bring enough new members you could get yours for “free”. This offer is good now through the 1st of February 2012 for the existing members. Below is an example of the benefit for both.

EXAMPLE:

Without new member - Existing Family Membership - \$1,650 less 5% early pay discount = \$1,567.50 (\$82.50 savings)

With new member - Existing Family Membership - \$1,650 less 5% early pay discount = \$1,567.50 - \$92.50 (new member single membership 10% discount) = \$1,475 (\$175 savings)

New member - Single Membership - \$925 + \$125 = \$1,050 less waived Initiation Fee \$125 and 10% new member discount = \$832.50 (\$217.50 savings).

*This only applies to the Membership fees and sales tax of 7% will also still apply.

All Memberships both new and existing that are paid in full by February 1st 2011 will also still receive the 4 guest passes for golf in the 2012 season.

** Existing Member is defined as anyone who was an Indian Creek member in 2011.
